Dear CBP officer

Re: Identification of Joshua Blue Jack

I am a Canadian citizen residing in Winnipeg, Manitoba, and wish to attest that Joshua Blue-Jack is well known to me as a member of my larger extended family. He is my wife's cousin and is heading to Winnipeg for studies at The Red River College Polytechnic, Winnipeg. Joshua will be residing at my house throughout the duration of his program and is not expected to pay any rent or domestic household bills.
Please accord him any assistance he might need at the port of entry into Canada (Montreal-Toronto). I can be reached at the phone number and address above, should the need arise.

Kind Regards

Abiola Shadrack
