Information Box Terms and Conditions of the EPT Loan to James Ogini	
Loan Amount Requested	$ 3640 This is the amount of the loan you requested.
Loan Amount Approved	$ 3640 This is the amount of loan approved for you.
Capacity to borrow	The borrower declares capacity to borrow and covenants to meet all obligations, including payment of interest, fees, and repayment of loan.

Credit Protection	AjoPro advised the borrower to seek credit protection from a licensed insurance company, [YES]. The borrower consents to procure credit protection when considered necessary. The borrower understands the risk of borrowing without credit protection and consent to bearing the risk. It is the responsibility of the borrower to procure credit protection.
Time Value Fee	Your applicable Time Value Fee on the loan is $ 189 (equivalent of 1- 10%)] per annum, payable 7 time(s) on equal instalment. The time value amount is fixed and not subject to changes in the interest rate environment. This amount is the total amount charged on the loan amount from the effective date of the loan until maturity of the loan, including weekends and holidays. There is no grace period on charges.
Payment of Interest	The Borrower shall pay interest of 20% on any unpaid EPT loan balance bi-weekly, on or before the due date, including when such due date falls on a weekend or public holiday.
Default on Loan Repayment	Any delay in repayment of the loan is a default on the loan and shall attract default penalty of 20% Interest Rates not in time value. In the event that such default exceeds four weeks or two payments and if confirmed that the borrower have financial condition has changed (e.g., loss of jobs), it shall be interpreted that the borrower may not be able to redeem the loan, and, in such circumstance, ajopro may get borrower into a payment arrangement plan for payment of any outstanding balance and interest that might have accrued. **In the case of default without notice and borrower is not responding to ajopro notices up to 90 days, borrowers' profiles will be sent to collection agency.** The borrower shall be considered to have defaulted even if a draft has been deposited, so far AjoPro is yet to get value for the payment on the due date.
Default Penalty	Any default on EPT Payments shall attract interest at 20.0000% per annum for the period of default. In addition to the interest charged on the outstanding balance, the borrower shall be liable to pay a flat default penalty fee of 1% on the loan amount. This default penalty is applicable each time there is a default. A waiver of default at a time does not constitute a complete waiver

	of default penalty and as such may not be interpreted as a relief for the borrower on the default penalty.
Effective Date of the Loan	The earlier of the date of execution of this agreement or date of receipt of bank draft (or any other instrument of value for the Loan).
Tenor	The loan is for a period between four to twelve calendar months or 365 days from the effective date, inclusive of the effective date and maturity date. The maturity date represents the day on which the contribution milestone or plan is completed, in addition to any outstanding interest at the time.
Early Redemption	This provision allows the borrower to repay the loan before the maturity date at any time during the time of the loan, but subject to minimum of notice period of 30 days to AjoPro. Early redemption does not reduce or impact the time value fees or cost of the plan.
Swapping and switching	In some cases, borrowers may have to switch or swap their plans to be able to access ajopro funds at the time of their choosing. These features are only available for users with certain trust rating on ajopro and come at a fee to the borrowers. Swapping and or switching fees will be deducted from the total funds release to the borrower:
Foreign currency conversion	The loan amount, time value fees, interest charged, repayment and or any other payment charges shall be in Canadian Dollars and neither AjoPro nor the borrower would bear any consequence of changes in the value of Canadian dollars relative to other currencies.
Annual fees	Not applicable
Other fees	**Fee charged at the time loan is provided.** Administrative fee: $18.20 Legal fees: [APPLICABLE AT DEFAULT] **These fees are chargeable on the effective date as a one-off fee for the transaction.** The borrower is liable for any statutory fees (if any) that may arise from the transaction, including but not limited to any legal/statutory fees or bank charges incurred by Ajo Pro as a result of any form of default by the borrower on either interest payment or loan redemption.

Covenant	**The borrower covenants that prior to the repayment of this loan, it shall not take any other loan without the express written consent of AjoPro**

Further details of your loan:

Payments of bi-weekly interest, repayment of loan and all fees should be either through electronic transfer to the designated account of AjoPro (duly communicated by authorized representative of AjoPro) or through a draft or any other instrument in favour of AjoPro. In the event of payment with draft, payment is only considered to have been made when AjoPro receives value. Hence, borrower shall consider that draft only clears after five business days of depositing it.
